

The Kendriya Vidyalaya No. 2 Army Bhuj has structured the school activities in such a manner as to ensure an all-round development of the students instead of confining to mental development through lessons in the class room. Adequate opportunities are provided to the students to take part in games and a variety of other co-curricular activities. This helps the students develop a healthy spirit of sportsmanship and companionship, which will enable them face the life with ease. This will also help them develop physically, aesthetically and morally.

Physical and health education are an integral part of the academics. The students are encouraged to participate in sports activities at different levels, namely (a) within a Vidyalaya between different “Houses” into which the students are divided; (b) between two or more Vidyalayas at the cluster level’ (c) between clusters at the regional level and (d) between region at the national level. The objectives are :

To develop the physical faculties of the students :

To ensure mass participation of the students :

To spot out talent and nurture it; and

To develop spirit of sportsmanship and leadership qualities.

The students of K.V. 2 Army Bhuj are divided into four houses so that students can achieve competition among them .
