

Vishruti:- It is a programme for the empowerment of the adolescent girl students of classes VI to VIII, was launched on August 14, 2017 in Kendriya Vidyalayas, with support from the Srujan Research & Training Foundation, Pune. The objective of the Vishruti programme is to empower the girl students of KV 2 Army Bhuj. School has started this programme to empower girl students.

Kendriya Vidyalaya No. 2 Army Bhuj is taking many steps for students empowerment.-:-

1. **Effective Communication:-- CCA activities , conducted in school, help students to improve** communication skills and effective expression of views.
2. **ICT/Study Smart:-** School providing facilities to learn 21<sup>st</sup> century skills.
3. **Back to basic –** Kendriya Vidyalaya No 2 Bhuj implementing Back to Basic in full swing. We all attended many workshops on B2B at RO, Cluster & school level. Teachers planned, executed, evaluated & follow up the various aspects B2B.

\* Teachers prepared their lesson plan as per the need of the children under B2B. Keep

\* Updating the monitoring tool for late bloomers. Identified weak areas followed by steps taken to take them in the main stream. Executed many worksheets as per the levels of the students.

4. **CMP:-** At the beginning of the session teachers and principal discussed, planned & prepared the calendar of Common Minimum Programme. Every month in subject committee meeting all the PRTs share their views on CMP calendar, also take feedback & follow up steps.
